A FULL ONE YEAR warranty on MATERIALS & WORKMANSHIP

A2 Craftsmen hereby guarantees the workmanship and material for the contracted job, per the original contract as follows:

- 1) All Material is guaranteed to be as specified in original contract. A2 Craftsmen warranties that all work will be free of workmanship defects for one year from the date of installation and all defects occurring within that period shall be replaced at no cost to the owner. Any exceptions to this must be specified in original purchase contract.
- 2) Pre-manufactured aluminum, vinyl, iron, and chain link products are supplied with original manufacturer's warranties (ranging in term from 5 to 20 years, based on product).
- 3) Abuse or neglect of installed materials shall void this warranty.
- 4) All implied warranties, including merchantability, are limited to one year.
- 5) A2 Craftsmen uses only prime lumber materials but makes no warranty that wood products will not naturally warp or split over time. If you require repairs to a fence constructed with wood products, which are due to warping, splitting, or any other natural characteristic of wood, labor charges will apply. Although we generally purchase lumber materials from the same sources to ensure consistency, we do not guarantee consistency in coloration.
- 6) A2 Craftsmen does not warranty any wood fence material against termite infestation.
- 7) A2 Craftsmen is not responsible for damage caused by shifting soil/terrain.
- 8) Gate Operators and other access control systems and accessories are supplied with original manufacturer's warranties. During the first year, defects in these components will be repaired without charge to the customer. After the first year, the customer will be charged for repair labor costs, but not for parts costs, as long as the original manufacturer's warranty is still valid.
- 9) Non-payment, in part or in whole, by the customer for services rendered or materials provided, per the original contract or invoice, shall void this warranty.
